

## Support Institut Brenda Strafford as we raise funds to build our new *Pre-consultation and Patient Education Area*

### About Institut Brenda Strafford

Institut Brenda Strafford works as a family, united in its charitable mission to provide high quality person-centered professional Ophthalmology and Ear, Nose and Throat (ENT) services to enrich the lives of the people in Haiti. Providing services in Les Cayes, Haiti since 1982, The Institut strives to be the first choice of Ophthalmology and ENT health care for our communities, providing cost-effective services in order to improve the clinical outcomes and quality of lives of those we serve. Each year we treat over 55,000 patients and perform more than 1,700 surgeries.

### Why do we need a new *Pre-consultation and Patient Education Area*?

Every day, The Institut sees over 250 patients, with many travelling hours to receive the comprehensive care provided by our specialized team. However, The Institut has outgrown our current space, which forces patients to stand in long lines and wait in overcrowded rooms.

Our new *Pre-consultation and Patient Education Area* will create the space needed to provide our patients and staff a dignified environment in which care and services can be provided. Furthermore, this new space will have multiple functions as it will also serve as a conference and large meeting area for our 100+ person staff.

**To build this new space, we need your help to raise \$ 23,800 US.**

**Please consider supporting our work by donating today!**

- **100% of your donation will go towards building the new *Pre-consultation and Patient Education Area***
- **Thanks to generous support by The Brenda Strafford Foundation, every dollar donated by December 31, 2019, will be matched... doubling your impact!**

**Donate online at: [www.thebsf.ca](http://www.thebsf.ca)**

*\*Donations made through the website are in Canadian dollars. To donate a Canadian dollar equivalent of the US dollar value, multiply the US dollar amount by 1.3*
